Why are people joining?

"One of the reasons I joined the Flint Registry was because of the education and the connections."

– Pastor Read,
Joy Tabernacle Church

"Making people comfortable enough to open up about their concerns and feel free to share their story; I feel like that's one of the biggest things helps people heal in this city."

– Aaron Neeley,
Flint Registry Interviewer and resident

"After signing up for the Flint Registry and getting connected to the NCE (Neurodevelopmental Center of Excellence), my daughter is now receiving what she needs at school to succeed."

– Flint Resident

FLINTREGISTRY

Get Connected.
Get Supported.
Get Counted.

People who used Flint Water from April 25, 2014 to October 15, 2015 can participate in a voluntary secure registry that will refer them to programs and other resources aimed at minimizing the effects of lead on their health, while promoting wellness and recovery.

FLINTREGISTRY

Get Connected. Get Supported. Get Counted.

flintregistry.org

Michigan State University College of Human Medicine received funding for this work from the Centers for Disease Control and Prevention (CDC), Grant #NUE2EH001370.

GET CONNECTED.

Built by the Flint community and based in Flint, the Registry is a resource for people who were impacted by the Flint Water Crisis and who want to be a part of something bigger.

GET SUPPORTED.

The Registry will support people by referring them to services they may qualify for. These services may help reduce the impact of lead on your health. Support, especially for children, includes referral to a new, no-cost child development assessment center.

GET COUNTED.

The Registry is working to reach as many people in the community as possible. Every person is important. Share your story about the impact of the Water Crisis on your health. The more people enrolled, the more powerful the impact of the Registry.

JOIN THE THOUSANDS!

WHO CAN JOIN THE FLINT REGISTRY?

WHAT IS THE LOGO ALL ABOUT?

The logo represents the Sankofa bird, a mythical African bird from the Akan tribe in Ghana. The bird is flying forward, yet looking back, and carrying an egg in its mouth. It is symbolic of always needing to move forward, but never forgetting what happened in the past, and prioritizing the young.

WHAT HAPPENS WHEN I JOIN THE FLINT REGISTRY?

STEP 1

COMPLETE YOUR SURVEY

Questions include: your background, health, development and exposure to Flint water. Complete additional survey for each dependent.

STEP 2

GET REFERRED

The Flint Registry team will share your information and connect you and/or your child to services you may be eligible for.

STEP 3

COMPLETE A FOLLOW-UP SURVEY

About one year after completing your first survey, you will be asked to fill out a follow-up survey.

NOTE: In the future the Flint Registry may continue to be funded and to contact you about future surveys.

Call us at 833-GO-FLINT to make an appointment or sign-up over the phone.
